

Sturgeon Lake School is Seeking....

Community Members for School Programs

Background Information

We are seeking community members for various after-school programs at the school. We are interested in finding community members who can come in and share their gifts with our awasisak. The after-school programs will run in 3-4 week cycles, and depending on the success and participation, these programs have potential to run for much longer.

Here are a few of the programs in which we are seeking gifted and knowledgeable community members:

- **Pow Wow Dance Program**
- **Young Girls and Boys Empowerment Groups**
- **Mental Health and Wellness (including from a cultural lens)**
- **Cultural Arts (this can include beading, sewing, painting, drum-making, etc).**

An acceptable honorarium will be given for the time that you make available to teach the children. The hours of the program will be determined. This will look like 1 day a week for a few hours (for 3-4+ weeks)

You will be asked to provide a current Criminal Record Check and Child Abuse Registry Check.
